

From 24 – 27 October **the 49th World Conference on Lung Health** will take place in Den Haag. **The UNION**, based in Paris, organizes this conference and KNCV Tuberculosis Foundation <https://www.kncvtbc.org/> supports them in that.

The UNION is looking for volunteers.

Volunteers tasks and benefits

Volunteers assist in a number of areas depending on their interests, including the speakers' centre, media centre, registration, in plenaries, poster sessions and symposia.

In return **the volunteers have access to the conference** sessions and networking opportunities with public health experts from around the world.

About the UNION

The UNION works worldwide in the field of lung health and tuberculosis control with a strong focus on tuberculosis control in low income countries. The UNION organizes annually the World Conference where researchers and health practitioners from all over the world meet and share experiences.

How to apply

You can find more detailed information and an application form on <https://thehague.worldlunghealth.org/practical-info/get-involved/volunteer/>.
